

COTTAGE RULES and info

1. Off limits/ Personal space – The big grey shelter and the upstairs bathroom closet on the left of the tub- personal storage.
2. Garbage and Recycling- **DO NOT HAVE ANY FOOD GARBAGE OUTSIDE!** Bears have been seen when food has been disposed of outside. There are clear garbage bags under the sink. Keep a garbage under the sink designated for food only (You can put a large clear garbage bag in the utility cupboard for convenience or large food items). Place it in garbage can downstairs by the furnace-until you check out.
Renters are responsible for taking your garbage and recycling with you. There is a landfill/recycling in town on your way out, directions are in the cottage manual-hours on fridge. Recycling is free but regular garbage bags are \$3 each and industrial size are \$5. The town is now requesting blue dump cards in order to take garbage-arrange with owners what day you will be going to allow time for us to acquire the card-will be on the fridge.
3. **SEPTIC TANK**-Important considerations to keep in mind:
 - ❖ Nothing but human waste in the toilets
 - ❖ Only septic approved toilet paper can be used-Recycled tissue, rapid dissolve, 100% bamboo Read the label for approved use IE: Kirkland
 - ❖ Extremely important items that should never be flushed in a septic system include:
 - Coffee grounds
 - Disposable diapers
 - Baby wipes-even biodegradable
 - Sanitary napkins or tampons
 - Kitty litter
 - Hair combings
 - Dental floss
 - Cigarette butts
 - Condoms
 - Fat grease or oil
 - Paper towels or bandages
 - Any chemicals ie: paint
 - ❖ Do not park on grass inside the driveway-Septic bed
4. Fire burning- **DO NOT USE WOOD STOVE WOOD FOR FIREPIT BURNING**
Bring your own wood-buy locally-roadside sellers, Home Hardware, Petro-Canada, etc.as you turn onto the 520 (and Midlothian Road) there is a sign to inform people of fire burning by-laws at that time-subject to change- When in doubt check the city of Burk's Falls or Ryerson Township web page.

COTTAGE RULES and info

5. Bedding/Paper products-There are sheets for all of the beds or bring your own.
If you use our sheets and towels we ask that you start laundry on check-out day- soap provided (Our cleaners need cleaning and disinfecting time, no time for multiple loads of sheets and towels). Please leave the remaining laundry in front of the washing machine-sheets, pillowcases, and towels only.
The primary bedroom is a king size (sheets under bed), the middle bedroom has twin bunk beds- sheets under the bed. The third bedroom has a queen bed- sheets under the bed. and sofa bed in the rec room is full size (memory foam topper and sheets/pillows in bin in garage). Extra blankets are in closets and in the garage in a bin.
Towels available-bath, hand, and dish.
TP-we supply. If you bring your own toilet paper, please adhere to septic rules.
6. Enjoy the river! Take caution swimming as the current varies.
Various sized life jackets (in storage shed-please put away dry)
Children should wear personal flotation devices AT ALL TIMES in and around the river **Bring their own for proper fit.**
Use the river items- Canoe, kayaks, and the row boat. Blow up items, pool noodles and rope for tethers to the dock ladder are in the small shed at the side of the cottage.
Respect the river and be environmentally conscious.

COTTAGE RULES and info

11. DOGS ONLY! Dog run available for evening “let-outs”, otherwise dogs **must** be leashed, to ensure they remain on the property. Please keep dogs **off** of the furniture. There is no pet fee therefore we expect all dog items must be addressed by owners-accidents are cleaned and use stain remover for smells, all dog feces picked up-poop scoops by the dog run on the deck and one downstairs by the door.
We ask that any guests who bring a shedding dog to give the cottage a vacuum before you leave (in the front hall closet).
12. Heating (furnace)/Cooling (central air) - Use the thermostat in the hallway to the left of the pantry. We have many fans throughout the cottage including ceiling fans.
If you use the AC- no colder than 24 degrees.
If using the wood stove guests must read safety instructions-In the cottage manual.
You must use hardwood only-we supply a full wood box of hardwood next to the stove.
13. R/O system for drinking water at the kitchen sink-small tap-25/30L capacity per day.
Regular tap water not for drinking as it is not potable. However, is filtered for showering and brushing teeth. If you prefer to purchase jug water, we have a water cooler with a jug in the rec room.
14. Internet usage: Not unlimited-please be mindful of excessive use.
15. Be environmentally conscious- RESPECT: the *neighbours* (noise volume, loose animals, etc.), *environment* (NO FIREWORKS, recycle, reduce waste, etc.), *wildlife* (no food outside, leave habitats and animals alone, etc), *cottage* (septic tank, electricity, etc.) and try to keep the carbon footprint to a minimum.
*NOTE: PLEASE LEAVE TURTLES ALONE!!! They mate in the spring and use the boat ramp as their path to and from the water-“Turtle Highway”. We protect all species here.
